

HMCA are delighted to offer members and their families a range of medical health cover and related products. Hospital and Medical Care Association are specialists in offering voluntary benefits exclusively to members of professional and trades associations and membership groups. They have over 30 years experience dealing with over 700 Associations in delivering first class service at highly competitive rates. They do not deal with the general public and do not advertise nationally. This simply means that they can continue to offer reduced costs coupled with first class service.

Their services include:-

- HMCA Breakdown Recovery Club;
- HMCA Single and Multi-Trip Travel;
- Medical Care Plans

See on the web site for information, or telephone HMCA on 01423 866985 to take advantage of this offer.

Once members subscribe to any of our plans you automatically qualify for further discounts from our range of Loyalty Benefits. These include leisure, hotels and magazine subscriptions. Details will be given upon joining and enclosed in our Welcome Packs.

If you are already a member of a health plan we offer a unique Transfer Facility which does not involve an examination and will cover you for any pre-existing condition from the original date of you joining your existing plan. On average, we have been proven to save up to 35% savings on similar plans. The transition is seamless with no break in medical cover or moratoriums.

You can visit our website for further details and simply click (your website details) or call us in person on 01423 866985 whereby we will be happy to speak to you and answer your queries.
