Due to the success of the Landlord Investment Show in other areas of Berkshire we are delighted to announce the show is heading to Maidenhead.

Maidenhead has been flagged up many times as a top buy-to-let hotspot. The Royal Borough has been named highly in a list of the best places in the UK to invest, placing it above larger towns and cities.

Maidenhead Train Station will benefit from a number of improvements in preparation for the new Crossrail service. From December 2019, four Crossrail trains an hour will allow passengers to travel right through central London without having to change trains. Two trains an hour will run between Maidenhead and Reading.

Our show will attract Landlords, Investors, Developers & Property Professionals.
